7. Membership runs as a 12-month rolling membership which renews automatically the following year unless notice is given in writing at least 2 months prior to renewal that the membership should be terminated at the end of the applicable year.
8. Once a new year has begun, the member is liable for all fees due for that full year unless the appropriate notice (2 MONTHS) has been given that the membership will not be renewed.

PAYMENT SCHEMES

Membership can be paid in full or by Direct Debit over 12 months Direct Debit Payment Schemes do not apply to Flexible, Social or Junior Memberships. These must be paid in full.

NEW MEMBERS

New members require to pay all fees in full prior to membership commencing unless paying by Direct Debit (see below) Direct Debit

1" Payment (3 months) to be made directly to the club at date of joining. Direct Debit will be set up to collect the following 9 payments commencing 1st of the following month from Join Date to always keep the account 3 months in advance for the first year. A Direct Debit mandate must be completed on application for membership if choosing to pay by Direct Debit.

1. Direct Debits can be set up on all membership categories other than Flexible, Junior, Winter or Social Membership.
2. Direct Debit payments will incur a £1.50 charge per month to cover admin costs.
3. The membership is taken out for 1 full year and must be paid in full. i.e. this is an agreement/contract to join for 1 year as a minimum.
4. Any cancellation of Direct Debits does not cancel the amount due. Direct Debits missed for any reason, must be paid in full before the start of the following month. Membership will be suspended if not paid and the money will still be due.
5. The membership renews automatically each year unless 2 months' notice is given in writing that the membership is not being renewed the following year.

EXISTING MEMBERS

Annual bills should be paid in full at least 2 weeks prior to renewal date.

1. If a member is changing from Annual payments to Direct Debit payments, then all payments which would have been due under the Direct Debit scheme for that category and renewal date, must be paid prior to the Direct Debit being set up, to keep the payments in line with other members.

NOTE ON HANDICAPS

The main benefits of obtaining a handicap are that you can enter club competitions and medals and take part in other club competitions which are usually extremely good value compared to buying a one-off round. You can obtain details on how to get a handicap from the Club Professional or Match Secretary
